

Shareca Vallaire LLC brings technology and business expertise to our educational system, providing an innovative solution to address the reasons for one of their most complex challenges- the lack of parent engagement. With a team of driven and passionate parents, educators, and professionals having more than 20+ years of experience working within schools, we create a one-stop family ecosystem for family empowerment, engagement, and entrepreneurship. Our ecosystem will aid schools and families with proven strategies to simplify and solve the schools' toughest challenges of engaging with parents and providing courses in personal and leadership development, mental health awareness, financial literacy, and more.

Shareca Vallaire LLC obtained its business formation in 2020 and began operating in 2022; with a mission to equip families through education and economic empowerment while addressing the needs of increasing parent engagement in schools across America.

CORE COMPETENCIES

Educational Consulting

Parents are essential to the success of a child's learning environment; therefore, schools, child development centers, government and private agencies, and organizations must have effective strategies for increasing positive outcomes in:

- Parent Empowerment and Engagement
- Classroom Innovation and Incentives
- Professional Development and Team Building
- Closing Achievement Gaps
- Business Strategy & Planning
- Community Network and Resources

Parent Empowerment / Solutionist

Many factors prohibit families from engaging in their child's education. As a solutionist, we provide alternatives that will allow for increasing parent engagement, help remove their barriers, and build strong family dynamics through:

- Family Empowerment and Engagement
- Personal and Leadership Development
- Financial Literacy and Generational Wealth Planning
- Parent Education Advocacy
- Family Branding and Entrepreneurship
- Community Network and Resources

DIFFERENTIATORS

Shareca Vallaire LLC believes that parents are the first to make a difference in increasing parent engagement in schools. It is the sole purpose of why a team of parents and educators have linked passions together to build a strong parent engagement network for resources and continuing education that provide families with a means of achieving personal, academic, and financial success. Together, our POWER X IMPACT will help families build generational wealth and legacies.

- **Solutionists:** Our professionals have firsthand knowledge of working within schools and have identified/experienced their greatest needs. After spending years in the classroom, all have resigned to launch their respective businesses strategically created to meet the demand of the entire family and not limited to only the student.
- **Family-Centered Approach:** Partnering with families to produce a safe environment for the overall health, development, and well-being by providing services that engage, involve, strengthen, and support both students and parents.
- **Strategic Alliance:** Several businesses, organizations, and agencies will partner to deliver a state-of-the-art ecosystem for schools and families.
- **Values-Driven:** Parents, teachers, and students are at the heart of our core values and drive our business and inform the way we interact daily.
- **Innovative:** Design a technology-driven ecosystem and learning environment that delivers driven results through customized empowerment sessions, interactive coursework, and incentive programs.
- **Local & Global:** Our partners have over 20+ years of hands-on experience delivering solutions in several states in the nation. Global experience across industries, business processes, technologies, and education allows for an immediate and positive impact on our education system.
